

Online Renewal

Are you looking for a faster way to renew your license? WSDA accepts license renewal and payment online!

We have partnered with US Bank to ensure a safe and secure payment-processing service using an **Electronic Check (e-Check)** from your checking or savings account. When renewing online, licenses will display as “renewed” on our website the very **next day!**

Note: Debit & Credit card payments are not accepted at this time.

What is an e-Check and how does it work?

An **e-Check** is a form of online payment where money is electronically withdrawn from the payer’s checking account and deposited into the payee’s checking account. E-Check processing is somewhat similar to paper check processing, only faster! Instead of manually filling out a paper check and mailing it to WSDA to pay your license renewal fee, today’s technology allows you to process your payment online. Saving time as well as paper waste.

Below is an example of a check and where to find the Bank Routing Number, Bank Account Number and Check Number. Most checks will have the same information in the same areas.
