PRE-LICENSE

Register using this form. We will contact you to confirm your registration. Pre-license training classes consist of several hours of instruction followed by an exam session for those interested in obtaining the Private Applicator license. The license fee of \$33 and a \$25 testing fee (a total of \$58/person) is expected at the time of testing. A WPS Handler Training Verification Card is issued upon request. To qualify for the handler card, you must attend class on the 3rd evening.

WSDA sponsored classes are FREE of charge. Participants should obtain and study the Spanish Private Applicator Manual (EM020S) **prior** to the course. To purchase the manual (\$21 + tax & shipping), contact your local WSU Extension office or call 1.800.723.1763.

Jr. High School	April 17
502 N. Boundary	5:30 - 9 pm

Royal City

Middle School	May 1
911 Ahlers Rd.	5:30 - 9 pm

WPS INTERACTIVE PESTICIDE SAFETY TRAINING

This training program delivers effective and relevant pesticide safety information, that not only complies with, but exceeds the requirements of the Worker Protection Standard (WPS) to train pesticide handlers, and it also covers the newly required Globally Harmonized System (GHS) training. It has been specially designed for unlicensed pesticide handlers. Employees with a pesticide license can attend the training to supplement their existing knowledge and will earn up to six recertification credits. Instructors use

different training techniques that are effective in overcoming learning barriers such as low literacy levels.

Note: The Hazard Communication risks under GHS requirements should be covered by employer based on specific site risks.

2014 LOCATIONS & DATES

WPS HANDS-ON TRAINING FOR PESTICIDE HANDLERS

Pre-registration is required! Registration is through the sponsor **ONLY**. Do **NOT** register with WSDA.

This 8 hour workshop is offered in Spanish & English and has been specially designed to train unlicensed pesticide handlers how to handle pesticides safely, legally and efficiently. However, it also provides an additional training opportunity for licensed individuals. The workshops provide practical, hands-on training. This training exceeds state and federal training requirements of the Worker Protection Standard (WPS). WPS Handler Training Verification Cards are issued. Six (6) credits are offered for licensed individuals.

Fee is payable to the sponsor only and is normally \$50 per person. Participants need a warm jacket because some training exercises are conducted outdoors.

For more course information, please contact Flor Servin at 509.662.0590, fservin@agr.wa.gov or Jamie Ramon at 509.551.6429 or jramon@agr.wa.gov

WPS TRAIN-the-TRAINER

Registration is through the sponsor. Do NOT register with WSDA!

This workshop in Spanish & English is designed to help trainers of agricultural establishments effectively deliver pesticide safety training for pesticide handlers & field workers as mandated by the state and federal WPS.

Participants will rotate through four training modules and learn what topics need to be covered along with effective training methods.

Participants that successfully go through the mock training at the end of the workshop will become WSDA Certified Trainers and will be qualified to issue WPS worker and handler training verification cards.

Six (6) credits are offered for licensed individuals. A certificate of completion & EPA training materials will be issued.

Fee is payable to the sponsor only and is normally \$50 per person. Please indicate the language preference (English or Spanish) at the time of registration.
