WSDA Industrial Hemp Research Pilot Survey

Greetings-

Welcome to a VERY important Industrial Hemp Research Pilot (IHRP) newsletter! The IHRP has created an important survey to better understand the backgrounds, needs, and concerns of those who are interested in the program.

The survey has 50 multiple choice questions and should take about 10 minutes to complete. Your responses to this survey are extremely important to us and will provide us with some of the necessary information to create an amazing program.

We are also asking you to share the link with others who may be interested in the IHRP. Please feel free to share the survey's link on social media, such as Facebook and Twitter.

A link to the survey is also located on the IHRP [webpage](#).

Thank you,
Emily Febles
