## PRELICENSE

**Register using this form.** We will contact you to confirm your registration. Prelicense training classes consist of several hours of instruction followed by an exam session for those interested in obtaining the Private Applicator license. The license fee, which is expected at the time of testing, is \$33. A WPS Handler Training Verification Card is issued upon request. To qualify for the handler card, you must attend class on the 3<sup>rd</sup> evening.

**WSDA sponsored classes are free of charge.** Participants should obtain and study the Spanish Private Applicator Manual (EM020S) **prior** to the course. To purchase the manual (\$21 + tax & shipping), contact your local WSU Extension office or call 1.800.723.1763.

## WPS HANDS-ON TRAINING FOR PESTICIDE HANDLERS

Registration is through the sponsor.  
Do **NOT** register with WSDA!

This 8 hour workshop is offered in Spanish & English and has been specially designed to train unlicensed pesticide handlers how to handle pesticides safely, legally and efficiently. However, it also provides an additional training opportunity for licensed individuals. The workshops provide practical, hands-on training. This training exceeds state and federal training requirements of the Worker Protection Standard (WPS). WPS Handler Training Verification Cards are issued. Six (6) credits are offered for licensed individuals.

**Fee is payable to the sponsor only** and is normally \$50 per person. Please indicate the language preference (English or Spanish) at that time of registration.

For information on bringing the Hands-On Training to your farm, please contact Flor Servin at (509) 662-0590, [fservin@agr.wa.gov](mailto:fservin@agr.wa.gov) or Ofelio Borges at (509) 249-6939, [oborges@agr.wa.gov](mailto:oborges@agr.wa.gov).

## TRAIN-the-TRAINER

Registration is through the sponsor.  
Do **NOT** register with WSDA!

This one-day workshop in Spanish & English is designed to help trainers of agricultural establishments effectively deliver pesticide safety training for pesticide handlers and field workers as mandated by the state and federal Worker Protection Standard (WPS).

Participants will rotate through four training modules and learn what topics need to be covered along with effective training methods.

Participants that go through the mock training at the end of the workshop will become WSDA Certified Trainers and will be qualified to issue WPS worker and handler training verification cards.

Six (6) pesticide license recertification credits will be offered for licensed individuals. A certificate of completion and EPA training materials will be issued.

**Fee is payable to the sponsor only** and is approximately \$50 per person. Please indicate the language preference (English or Spanish) at the time of registration.
