## REQUEST FOR RECERTIFICATION COURSE ACCREDITATION

<http://agr.wa.gov/PestFert/LicensingEd/Recertification.htm>

Our goal is to process your request as quickly as possible. In order to do so, it is important that you follow the instructions.

- Step 1: Read WSDA's [Recertification Policy](#) and [Recertification Course Sponsorship Instructions](#) fact sheet carefully. The policy outlines the topics that qualify for credit and your responsibilities as a sponsor. The fact sheet outlines specific instructions based on the type of course you are sponsoring.
- Step 2: Prepare your agenda for review. Be sure it has enough detail for WSDA to determine if topics qualify for credit. Lack of detail may result in credits not being granted. List the sessions you would like considered for credits or clearly mark them on the agenda. WSDA will only consider credit for sessions that you have clearly designated in this manner!
- Step 3: Complete and submit this form along with your meeting agenda.
