Some need for assistance, or resources need as indicated below.
Moderate need for assistance, as indicated below.
Immediate or major need for assistance or additional resources.

ASSISTANCE OR RESOURCES NEEDED:
Implementation Needs:
Facilitation Needs: Looking for volunteers
Technical Needs:
Administrative Needs:
Help to Develop or Produce a Written Plan:

2008 MEETINGS: March meeting planned to plant about 5,000 native plant plugs.

COMMENTS: This is working. Treatment costs are not expensive, but they do need volunteers. They plan to reconvene and decide where to go from here. Getting the MOU signed took up the most time when this group first formed – because there were so many landowners involved and at the time the NPS could not spend money on lands that they did not actually own.
