

On-Farm Food Safety Project

www.onfarmfoodsafety.org

Now Available!

The On-Farm Food Safety Project is a FREE, easy-to-use online tool to help farmers create customized food safety plans.

It's simple.

1. Visit www.onfarmfoodsafety.org.
2. Click on Create a Food Safety Manual, and register.
3. Get Started. You can easily save your work and complete at your own pace.

What the OFFS Project has to offer:

- Provides Record Keeping Templates
- Includes Food Safety Best Practices
- Generates a Customized Food Safety Checklist
- Based on Harmonized GAP Standards
- Plan Can Be Used as Basis for GAP Audit
